

DINING PAYMENT

MYPAYMENTSPLUS

As a parent, you can have the peace of mind by knowing your child always has lunch money by signing up for an account at **MyPaymentsPlus.com** . MyPaymentsPlus is a convenient, secure way to make funds available to your child for use in the dining services.

Another benefit to your dining services is a *changeless* operation. Eliminating any change eliminates lost or misplaced monies. You can be assured that all change from payments made by cash or check, will automatically be added to your child's mypaymentplus account at the register.

In order to take advantage of this service, you will need to create a parent account. This requires you to: (1) Open an account; (2) Load Monies to the account; and (3) Set up low balance notifications for your account.
